Experience

ASHCAN Studio of Art
Office Assistant
August 2021 ~ September 2021 (New York City, NY)
Researched and provided detailed data of art universities in the US that excel in specific departments for arts, and about art schools that provided summer programs and helped organize the files.

Brown University/RISD Game Developers (BRGD)
Game Visual Designer
September 2021 ~ December 2021 (Providence, RI)
Collaborated with a team to make a game, provided drawings and visual images to help design the look of the game. Helped to design the stages, identified the potential issues and provided the solutions for them.

RISD Illustration Department
Teaching Assistant – Augmented Reality (VR)
October 2022 ~ December 2022 (Providence, RI)
Provided technical assistance by helping the VR setup. Frequently communicated with students to help their projects and provide constant feedback. Assisted the professor in lecture and activities by organizing the folders, managing the website for the classes on a weekly basis.

Exhibitions

Rhode Island School of Design Illustration Department
